About the Wine Tasting & Auction

The Rotary Club of Hattiesburg has served the Hattiesburg community for more than 100 years. Consisting of professionals of a diverse background and set of industries, Rotarians contribute to the community through its motto of “Service Above Self.”

The Rotary Club of Hattiesburg raises funds each year in support of deserving local charities and non-profit organizations that serve citizens of the Pine Belt. We identify these needs through a competitive application process. The principal way that we raise funds for these organizations is through our annual Wine Tasting and Auction.

We invite you to consider sponsoring this year’s event. Sponsorships and donations of silent auction items of any level or type are gladly accepted. A number of benefits are available for sponsorship levels.

We appreciate in advance the consideration and support toward this valuable cause in our community, and we look forward to seeing you there!
